Face Mask
Checks

Face mask check during tutor time

- Every tutor time, every tutor will conduct a face mask check for each pupil.
- If a student does not have a face mask, they will be sent to their AC/AM office.
- ACs and AMs will track those who regularly do not have a mask.
- Sanctions will be issued to those that do not have a mask 3 times in a two-week cycle. Parents/guardians will also be informed.

It is important that every evening when you pack your bag, you make sure there is a useable mask in there.
