Fairfield High School – FHS

Dear Parents and Carers,

A few brief messages to support students having a good experience in school:

Year 7 only area. From Friday this week, we will be trialing the new zone for Year 7s which will then be followed by separate zones and smaller bubbles for all year groups. The complete refurbishment and rebuilding of our annex has meant this has not been possible before now. Year 7 students will need some time to adjust to the change in routine but have already proved resilient and adaptable to the new systems we have in school, especially as they have come from over 30 different primary schools.

Face Mask Exemptions: We need written parental confirmation of any face mask exemptions. Please send these into tutors or Achievement Coordinators, who will issue exemption passes.

Lost Property: We do not intend to keep lost property for more than two weeks. It will be on display once per week for collection and then disposed of. Please label clothing and other items to help it return. Face masks will not be retained in lost property.

Ball Games: To limit the potential spread of COVID we are not allowing ball games in social time. Please do not allow students to bring footballs / basketball/ tennis balls to school.

Law of Six: Please continue to remind students that they are subject to this law on their journey to and from school. Students should walk in groups no bigger than six

And finally, ... we are hosting a **virtual open event** for parents with children in primary school. Please pass this link on to friends <https://www.fairfield.bristol.sch.uk/news/?pid=8&nid=1&storyid=1314> or ask them to visit our website for details.

Regards

Nick Lewis
