Dear Parents and Carers,

It is with great regret that I must tell you that sadly, one of our longest serving members of staff has died an evening ago.

Mr Eon has been a well loved and respected teacher in Bristol for many decades – helping students get great grades in French. His most recent job has been as a part time language assistant at Fairfield High School. Mr Eon was our eldest member of staff, aged over 80 years old and has been ill for a while.

I can confirm that his illness has **not** been related to COVID 19.

At the right time, the school will want to celebrate the life of Mr Eon and we will want to include ideas from our school community in how to do that.

Whilst Mr Eon will be most known to our GCSE French students, others including past students may know him too – please inform them, especially if they were taught French GCSE. We have informed students today and offered support for any students that may need it.

Yours sincerely

Mr Lewis, Principal
