

COVID update 9th November and reminder of school closure for INSET day on Friday 13th November

Dear Parents / Carers,

As I have been doing, this is an update on positive cases. A city-wide view giving context can be found here:

<https://www.bristol.gov.uk/documents/20182/4556943/COVID-19+bi+weekly+Bristol+statistics+update+6+November+2020.pdf/25a4e56d-c931-a80e-eeb7-884cd3bde39a>

COVID Update:

Over the weekend and today we have been notified of 2 positive test results in Year 11, with 44 students self-isolating and 2 in Year 10, with 20 students self-isolating as a result. Where possible we have contacted people at the weekend to ensure that action is taken immediately to ensure close contacts isolate quickly. Similarly, in school time, we contact trace quickly to ensure students can self-isolate on the day. For these cases, all parents have been contacted and remote learning will be in place. We were also informed of two members of staff that have tested positive, but no students are self-isolating as result.

INSET Reminder:

Friday 13th November is an INSET day, and the school will be closed to pupils, we will be open as usual from Monday 16th November

Regards

Nick Lewis
Principal
