## We don't need no Winter Gala to raise money for the school!

We are of course very disappointed that we won't all get to meet each other this winter. We were really looking forward to getting back to "business as usual" but we'll just have to wait!

The Winter Gala is the main fundraising opportunity for the performing arts team. They use it to fund the school production: **MATILDA**

Why not donate the money you would have spent at The Gala to them?
