A Very Merry Christmas and Holiday Season!

Once again, **thank you to our community** for a fabulous year of fun, togetherness and support.

This year, we've held **eight community feasts**, including Lockleaze Climate and Nature Festival, our first Community-Led Iftar, and shared meals celebrating harvest and family.

We've also seen some amazing **community-led action**, with local people setting up coding clubs, litterpicking, leading art groups and more.

We look forward to seeing you again in the new year for more opportunities for food, joy and making change in our community. Now let's get together for some brilliant Christmas and Winter events!

Love from all at Lockleaze Neighbourhood Trust
